CONVENIENCE

Each Kelsey-Seybold clinic is designed to make it easy for you to get the medical care you need all in one place, from lab tests and diagnostic imaging to prescription medications at most locations. We'll even mail your prescriptions directly to your home or work at no additional cost.

With MyKelseyOnline, you can quickly make appointments 24 hours a day, send a secure email to your doctor's office, view test results and more, all online. Your time is precious — and so is your health.

COORDINATED CARE is BETTER CARE

At Kelsey-Seybold, your doctors and caregivers work collaboratively and share your medical history through one Electronic Medical Record to deliver quality care that is efficient, seamless and as easy as possible.

That high-quality care has earned us recognition as the nation's first — and Houston's only — NCQA-accredited Accountable Care Organization (ACO). It's a model of care that is currently embraced by more than half a million patients in our area.
